DAY 1: ANCHORAGE & WASILLA: Today starts the first day of your Alaska Adventure by exploring the history of our state! You'll recognize our executive-mini coaches by the unique gold and black Alaska Adventure Unlimited branding. We will have a luggage trailer provided.

NATIVE HISTORY:** Travel across town to the spectacular Native Heritage Center, a renowned cultural center and museum, where all people can come to expand their understanding & appreciation of Alaska's first people. Here, you will share the rich heritage of Alaska's eleven cultural groups drawing upon the life ways of long ago, the wisdom of our elders, and the traditions that endure. The Welcome House is a celebration of contemporary Alaska Native cultures while the outdoor facilities and sites allow the exploration of ancient tradition and the presentation of stories from the past. Upon leaving the Anchorage area, we will travel north to the Matanuska Valley, the farming belt of Alaska. Along the way, we will visit the native village of Eklutna. HATCHER PASS GOLD PANNING: Soak in the beautiful scenery of Hatcher Pass & Independence Gold Mine built in the early 1900's. Try your hand at gold panning! We bring our own gold pans and have fun trying to "strike it rich!" A park naturalist is often available to share the history of the mine, as well as flora & fauna of the area. Hatcher Pass is a favorite of guests, for its beauty, wildflowers, berries and wildlife. The best photography here is in later summer when pass comes alive with changes in color!

KNIK GLACIER BOAT TOUR: Your adventure will take you aboard a river boat to Lake George, the base of Knik Glacier, one of Alaska's grandest natural attractions. Knik Glacier, born in the Pleistocene Glaciation period (the beginning of the Ice Age) 600,000 years ago, covered the Anchorage bowl and the entire Cook Inlet. While it remains active, with motion imperceptible to the naked eye, this glacier is in a constant state of change.

The flight in itself offers a spectacular flightseeing tour; this scenic route takes you by 3 active volcanoes, numerous salmon streams, glaciers, and other Alaskan sights. The Lake Clark Bear Viewing begins after a brief bear orientation aimed at group safety. You & your pilot will head out into this ideal bear habitat to watch these creatures interact with each other in the wild.
