ACCOMMODATIONS NEAR DENALI NATIONAL PARK

DAY 4 - DENALI: Today you have three options to explore Denali National Park!

Option 1: Denali Shuttle - RELAXED

Your chance to spot wilderness & wildlife from the Denali State Shuttle. Your guide will escort you to the Wilderness Access Center where you'll embark on the Denali Park Shuttle. The shuttle takes you deep into the park for a five-hour roundtrip tour, including stops. Keep your eyes peeled for a chance to see the Big 5: moose, Dall Sheep, caribou, wolves, and grizzly bears.

Option 2: Take a self-guided hike in Denali National Park - MODERATE

This is your chance to adventure on your own in the park. Our recommendation is the 2.1-mile loop around Horseshoe Lake. You will have views of the Nenana River & Glitter Gulch at the farthest end of the loop trail. There are multiple benches along the hike to relax and take in the views. There is a moderate climb back up to meet your guide but the scenery is unbeatable. Your guide can facilitate other hike options.

Upgrade Option 3:

Self-Guided 4-Hour Savage River E-bike Ride - \$99 - STRENUOUS

Leave right from Bike Denali and pedal yourself into the park. Experience the front country of Denali and go to Savage River. Navigate the steep terrain in undeveloped wilderness. E-bikes come with racks, panniers, bear spray with handlebar mount, and quality rain suits.

\$160 Per Person**

Your adventure begins with a three-mile ATV trail ride to your launching point through the scenic Alaskan wilderness. After gearing up, certified guides will lead you along six sky bridges and seven thrilling zip lines. Over half a mile of zips including the dual racer finale!

DAY 6-HATCHER PASS GOLD PANNING: Soak in the beautiful scenery of Hatcher Pass while visiting Independence Gold Mine, which was built in the early 1900's. Try your hand at gold panning. We bring our own gold pans and have fun trying to "strike it rich!" A park naturalist is often available to share the history of the mine, as well as information on the flora and fauna of the area. Hatcher Pass is a favorite of guests; they love its beauty, wildflowers, berries, and wildlife. The best photography here is in later summer.

KNIK GLACIER BOAT TOUR: Your next adventure of the day will begin when you will climb aboard a military truck for a scenic drive to the river boat launch. Once aboard the river boat you will head to Lake George, the base of Knik Glacier (one of Alaska's grandest natural attractions). Knik Glacier, formed in the Pleistocene Glaciation Period (the beginning of the Ice Age) 600,000 years ago, originally covered the Anchorage bowl and the entire Cook Inlet. This glacier remains active, though motion is imperceptible to the naked eye. Knik Glacier is still in a constant state of change.

ANCHORAGE: Upon arrival in Anchorage, you will say good-bye to your AAU tour guide. Your accommodations are in Anchorage this evening. Early tomorrow morning, you will begin your AAU choreographed Kenai Peninsula adventure, featuring the Alaska Railroad and the Kenai Fjords.

Depart Alaska

OPTIONAL DAY TOUR:

Lake Clark Bear Viewing - 6-8 Hour Bear Viewing: \$1,150 per person + park fee

Your Lake Clark National Park Bear Viewing Adventure begins when you depart Anchorage on a float plane and head south along the Cook Inlet. This ocean front setting is the ultimate bear habitat. The creek running through is loaded with Silver Salmon, attracting a resident Brown Bear population to the area all summer long. The flight in itself offers a spectacular flightseeing tour; this scenic route takes you by 3 active volcanoes, numerous salmon streams, glaciers, and other Alaskan sights. The Lake Clark Bear Viewing begins after a brief bear orientation aimed at group safety. You & your pilot will head out into this ideal bear habitat to watch these creatures interact with each other in the wild. The area is excellent for viewing the bears because of the layout and geography; it is a long stretch of grassland and beachfront. Watch as they frolic in the grass with their cubs, dig for clams, and take afternoon naps.

- Mobility Impaired: This tour requires a moderate amount of walking on uneven terrain (approximately 1-2 miles) If you are concerned about you or someone in your party's ability to do so, please contact our office to review the options.
- What to Bring and Wear: Footwear - Rubber or waterproof boots. If you do not have any boots, Regal will provide you with a pair. Camera, binoculars - If you do not have any you may share some with the bear guide.
- Layered Clothing - Always be ready for any temperature range, bring a rain shell in case of rain

Flight departs Anchorage at 9 AM and returns to Anchorage at 3:30 PM - 6.5 hours total (4 hours of bear viewing, 2.5 hours' flight) Times are approximate and are for general planning only.

Katmai Bear Viewing - 8-10 Hour Platform Viewing: \$1,350 per person + park fee

The federally-protected Katmai National Park and Preserve is world famous for the largest population of Alaska brown bear viewing. Accessible only by air, this is Alaska wilderness in its rawest form. Our fly-out Katmai bear viewing adventure takes you to Brooks Falls, where three bear viewing platforms connected by elevated boardwalks allow for close, unobstructed and extraordinary bear viewing in Katmai National Park. In July, lured by spawning salmon, as many as fifty bears can be seen at once along the 1.5-mile Brooks River. Katmai bear viewing at Brooks Falls is self-guided, but Katmai National Park Rangers provide an initial briefing upon arrival and are available for questions. An on-site wait list for the Lower River bear viewing platform may be implemented when visitation reaches capacity, to ensure quality bear viewing. Katmai is also home to the famed Valley of Ten Thousand Smokes - a forty square mile, 100 to 700-foot-deep ash flow deposited by Novarupta Volcano in 1912.

- Two to three-hour scenic flightseeing tour from Anchorage
- Katmai bear viewing at Brooks Falls - watch them catch jumping salmon!
- Wildlife watching on return flight for beluga whales, moose and Dall sheep
- A window seat and 2-way headset; ask your pilot questions!
- Detailed knowledge (and personality) of an Alaska bush pilot

Flight departs Anchorage at 8 A.M. and returns to Anchorage around 6 PM - 10 hours. (4 hours of bear viewing, 5.5 hours' flight) Flight times vary depending on weather and plane type.

Minimum 2 persons for guaranteed departure. Bear sightings cannot be guaranteed. Due to volatile weather in remote bear viewing regions, we HIGHLY recommend travel insurance, to receive a full refund.
