DAY 01 | ANCHORAGE & WASILLA: Today starts the first day of your Alaska adventure, with you exploring the history of our state! Your guide will meet you out front of our pick-up location at 11 AM. You'll recognize our executive mini-coaches by the unique gold and black Alaska Adventure Unlimited branding.

NATIVE HISTORY **: Travel across town to the spectacular Native Heritage Center, a renowned cultural museum, where guests can learn about Alaska's first people. In the Welcome House at the Native Heritage Center, you'll see a celebration of contemporary Alaska native cultures, while the outdoor facilities and sites allow the exploration of ancient tradition and the presentation of stories from the past. Upon leaving the Anchorage area, you will travel north to the Matanuska Valley, the farming belt of Alaska. Along the way, we will visit the native village of Eklutna. Enjoy the Russian Orthodox influenced church and native-influenced "spirit houses," while sharing in native cultural traditions.

***This activity may be switched to the Alaska Wildlife Conservation Center depending on your tour dates.*

(AAU provided lunch - Meet & Greet dinner included)

ACCOMMODATIONS IN WASILLA

DAY 02 | PALMER: 1) MUSK OX CONSERVATION CENTER - This private non-profit organization dedicated to the development and domestication of the musk ox, for the purpose of providing additional subsistence income opportunities for Alaska's first people. The Musk Ox Project began to introduce a gentle, non-intrusive form of agriculture to the Arctic in 1954. Our musk oxen are the foundation of an Alaskan cottage industry for natives living in remote coastal villages. The soft under-wool of the musk ox, qiviut, is harvested once a year and delivered to Oomingmak, an Alaskan native knitter's co-operative. The knitters work at home in Eskimo villages throughout Alaska creating scarves, nachaqs (Eskimo smoke rings) and luxurious caps. Each village has its own signature pattern derived from traditional designs. On this adventure take an informative tour led by a knowledgeable guide to learn about the project and take advantage of this unique opportunity to see and photograph one of the Arctic's oldest living species. See tame cows, powerful bulls, and newborn calves that will make your heart melt.

2) **GLACIER TREK:** After a lunch stop at one of our local favorites, discover the true beauty of glaciers up close. Ice crampons and helmets are provided for your glacier trek adventure. You will follow your guide as you explore the ice & rock formations of the Matanuska Glacier as you're walking on it. No experience is necessary to join in the fun. Intermittently placed picnic benches allow guests to choose their own participation level. Great photo ops from all picnic benches.

*(*HELICOPTER GLACIER LANDING UPGRADE AVAILABLE/ \$249 person*)*

DAY 04 | DENALI NATIONAL PARK: Today you have three options to explore Denali National Park!

Option 1: Denali Shuttle - RELAXED

Your chance to spot wildlife & soak in the wilderness from the Denali State Shuttle. Your guide will escort you to the Wilderness Access Center where you'll embark on the Denali Park Shuttle. The shuttle takes you deep into the park for a five-hour roundtrip tour, including stops. Keep your eyes peeled for a chance to see the Big 5: moose, Dall Sheep, caribou, wolves, and grizzly bears.

Upgrade Option 2: Self-Guided 4-Hour Savage River E-bike Ride - \$105 - STRENUOUS

Leave right from Bike Denali and pedal yourself into the park. Experience the front country of Denali and go to Savage River. Navigate the steep terrain in undeveloped wilderness. E-bikes come with racks, panniers, bear spray with handlebar mount, and quality rain suits. E-Bike experience recommended.

Option 3: Take a self-guided hike in Denali National Park - MODERATE

Adventure on your own in the park. Our recommendation is the 2.1-mile loop around Horseshoe Lake. You will have views of the Nenana River & Glitter Gulch at the farthest end of the loop trail. There are multiple benches along the hike to relax and take in the views. There is a moderate climb back up to meet your guide but the scenery is unbeatable. Your guide can facilitate other hike options.
