DAY 02 | PALMER & GLACIER VIEW: Get ready for your choice of adventure from mild to wild as you get to choose from one of three activities on 360 acres of private Alaskan wilderness at a working ranch in Palmer.

1) MORNING ACTIVITY CHOICE:

ZIPLINE ADVENTURE

Alaska's first and only all-tandem zipline course. You will see incredible views as you soar side by side across the Wolverine Creek and Canyon. Your guide will take you along 6 zips and 3 suspension bridges. Some zips are 255ft' high and 1,250 ft long!

HOMESTEAD RANCH TOUR

Learn about the history of the Sunderland Ranch and other original farms in Lazy Mountain. We will walk about a mile to see incredible views and other unique points of interest. One of our touring rigs will pick us up to visit the horse barn.

HORSEBACK RIDING

Stunning trails will take you around the ranch and up to some incredible views of the Chugach Range while riding the foothills of Lazy Mountain.

GLACIER TREK: The second half of your day takes you north to Glacier View. The Matanuska River winds its way beside you, revealing stunning views of mountains, valleys, and glaciers. A quick lunch stop at one of our favorite local lodges gives you the chance to try some delicious Alaskan cuisine. After lunch, discover the true beauty of glaciers up close. Ice crampons and helmets are provided for your glacier trek adventure. You will follow your guide as you walk and explore the ice & rock formations of the Matanuska Glacier. No experience is necessary for this glacier trek. Intermittently placed picnic benches allow guests to choose their own participation level & soak in the beauty. *(*HELICOPTER GLACIER LANDING UPGRADE AVAILABLE/ \$269 person*)*

DAY 03 | TALKEETNA: Next, it's off to visit the home of Mt. Denali! Today will be a highlight of your Alaskan adventures. In Talkeetna, a local gem where three Alaskan rivers meet, one of the most photographed vistas in our state can be seen: the towering peaks of Mt. Foraker, Mt Hunter, and Mt. Denali, part of the Alaska Range. On this day, you'll be able to choose **ONE** of the following adventures to enjoy in Talkeetna:

MT . DENALI FLIGHTSEEING

1-hour flight time, plus travel

GLACIER LANDING UPGRADE AVAILABLE/ \$110 person

- This magnificent flight takes you within six miles of Denali's summit- the highest peak in North America at 20,320 feet!
- Includes window seats for each passenger, and an experienced pilot-guide who will highlight points of interest in the area.

(Depending on hotel, continental breakfast included - Lunch and dinner not included - restaurant stops provided)

- Visit an authentic trapper's cabin and view how trappers lived in "Bush" Alaska.

DAY 04 | DENALI NATIONAL PARK: This morning you have three options to explore Denali National Park!

Option 1: Denali Shuttle – RELAXED

Your chance to spot wildlife & soak in the wilderness from the Denali State Shuttle. Your guide will escort you to the Wilderness Access Center where you'll embark on the Denali Park Shuttle. The shuttle takes you deep into the park for a five-hour roundtrip tour, including stops. Keep your eyes peeled for a chance to see the Big 5: moose, Dall Sheep, caribou, wolves, and grizzly bears.

Upgrade Option 2:

Self-Guided 4-Hour Savage River E-bike Ride– \$105 Per Person – STRENUOUS

Leave right from Bike Denali and pedal yourself into the park. Experience the front country of Denali and go to Savage River. Navigate the steep terrain in undeveloped wilderness. E-bikes come with racks, panniers, bear spray with handlebar mount, and quality rain suits. E-bike experience recommended.

Option 3: Self-guided Hike – MODERATE

Adventure on your own in the park. Our recommendation is the 2.1-mile loop around Horseshoe Lake. You will have views of the Nenana River & Glitter Gulch at the farthest end of the loop trail. There are multiple benches along the hike to relax and take in the views. There is a moderate climb back up to meet your guide and the scenery is unbeatable. Your guide can facilitate other hiking options.

Afternoon Activity Upgrade:

White-Water Raft – \$147 Per Person

Upgrade to an afternoon activity. On the Canyon Wave Raft Tour, you'll journey through 11 miles of a glacial river with spectacular views of Denali National Park gems. Raft into the gorge running rapids with names like Razorback, Train Wreck and Coffee Grinder. Most rapids are Class 3 with a couple Class 4 rapids. Join the team as a Paddle Rafter or play it cool and just ride as an Oar Boat Rider. Must be 12+ years or older.

(Continental Breakfast included depending on accommodations – Sack Lunch included – Dinner not included, restaurant stop provided)
ACCOMMODATIONS NEAR DENALI NATIONAL PARK

DAY 05 | DENALI: Today is a day of leisure. There are many things to experience in and around Denali National Park. Guests may enjoy the scenery and activities provided at their accommodations (some accommodations provide kayaks). There are also various hiking options in and around Denali National Park. In addition, Denali National Park Visitor Center offers many activities such as exhibits, movies, dog kennel tours, etc.

Consider adding ONE of the optional **UPGRADE** adventures listed below:

1) ATV 4-Wheeler Adventure 2 hours

**\$155 Single Rider
\$250 Double Riders
\$350 Triple Riders
\$400 Quad Riders**

Ride on several terrain types. There are coal mining trails, rocky creek beds, hills to climb, water to traverse, and mud crossings. Total tour covers about 10 miles. Approximately 1 ½ hours on the actual trails.

2) 9-Hole Tundra Golf: 2 hours

\$125 Per Person

Black Diamond is a challenging course with "Alaskan hazards," such as tundra marshes or even the occasional moose hoof print! The course is relatively short, which makes it accessible and fun for any style of play. All equipment provided.

3) Denali Zip Line: 3 hours

\$179 Per Person

Start with a three-mile ATV trail ride to your launching point through the scenic Alaskan wilderness. After gearing up, certified guides will lead you along six sky bridges and seven thrilling zip lines. Over half a mile of zips including the dual racer finale!

4) Fat Truck Tour: 2.5 hours

\$229 Per Person

Travel up an old mining trail to the "upper lookout" where you will see vista views and learn about the geology and history of the area. Test out the amphibious qualities of the truck with your guide! One departure only – Limited to 6 people.

(Continental Breakfast included based on accommodations – Lunch & Dinner not included, restaurant stops provided)
ACCOMMODATIONS IN WASILLA

DAY 06 | HATCHER PASS GOLD PANNING: Soak in the beautiful scenery of Hatcher Pass while visiting Independence Gold Mine, which was built in the early 1900's. Try your hand at gold panning. We bring our own gold pans and have fun trying to "strike it rich!" A park naturalist is often available to share the history of the mine, as well as information on the flora and fauna of the area. Hatcher Pass is a favorite of guests; they love its beauty, wildflowers, berries, and wildlife. The best photography here is in later summer.

KNIK GLACIER BOAT TOUR: Your next adventure of the day will begin when you will climb aboard a military truck for a scenic drive to the river boat launch. Once aboard the river boat, you will head to Lake George, the base of Knik Glacier (one of Alaska's grandest natural attractions). Knik Glacier, formed in the Pleistocene Glaciation Period (the beginning of the Ice Age) 600,000 years ago, originally covered the Anchorage bowl and the entire Cook Inlet. This glacier remains active, though motion is imperceptible to the naked eye. Knik Glacier is still in a constant state of change.

ANCHORAGE: Upon arrival in Anchorage, you will say good-bye to your AAU tour guide and your tour concludes.

(Continental breakfast included – Lunch and dinner not included – Lunch restaurant stop provided.)
